ESCAPE FROM REALITY

KITESURFING CRUISE

The Cyclades Islands, with its Meltemi winds, is a Kitesurfers Paradise offering optimal wind conditions, mesmerizing crystalline waters and breathtaking landscapes. Escape the crowds, take a journey through the Islands and discover kite spots only accessible by private boat. The Cyclades is a Kitesurfers playground. Our trips follow the wind and take you on an unforgettable voyage of discovery and adventure.

Your discovery will be on board the “ALMYRA” Great White 10m RIB and hosted by our experienced professional Captains. We will work closely with you to customize your ideal kitesurfing adventure. Snorkeling gear (breathers and masks) and towels are provided. Explore, drop anchor and take flight with EFR.

Book a private kitesurfing cruise and enjoy the freedom of customizing your own trip. Private trips are recommended for experienced kitesurfers who have their own equipment and are tailor made to suit your specific needs. Your “ESCAPE” will become an unforgettable “REALITY”.
